

zinnia and the bees at reading to kids!

It was a joy to share [Zinnia and the Bees](#) at one of my favorite places over the weekend, [Reading to Kids!](#)

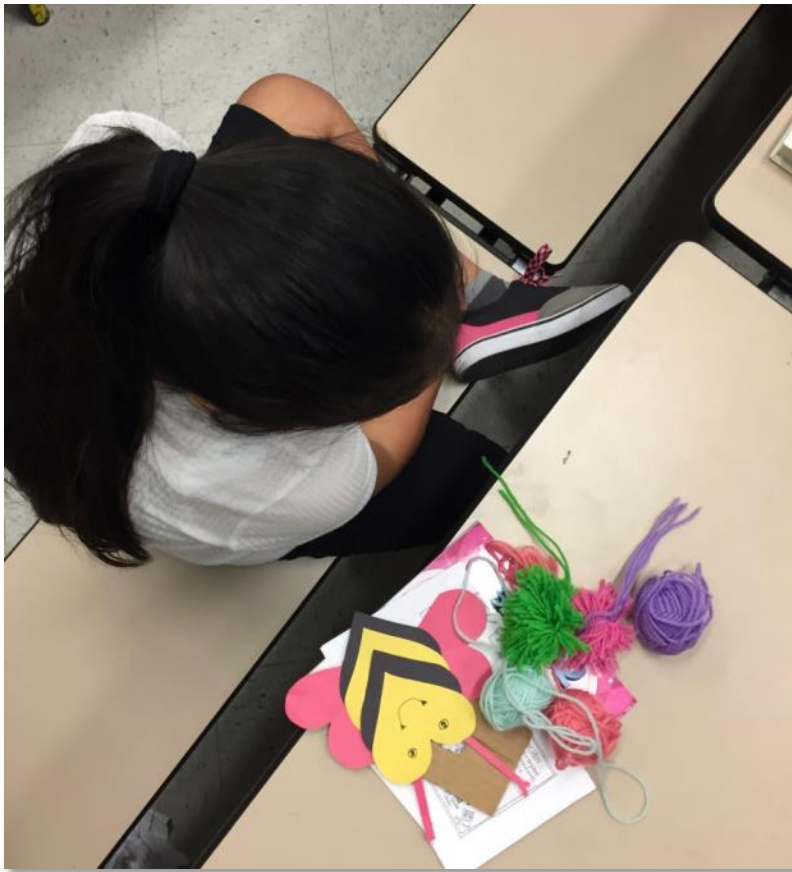

I've written about this organization before [here](#) if you'd like to learn more about a wonderful volunteer opportunity one Saturday morning a month in Los Angeles. It's a chance to read and craft with kids at eight schools in the city, to instill a love of reading, to connect to and encourage students through discussion and conversation and crafting, and to give each participant a free book to take home with them.

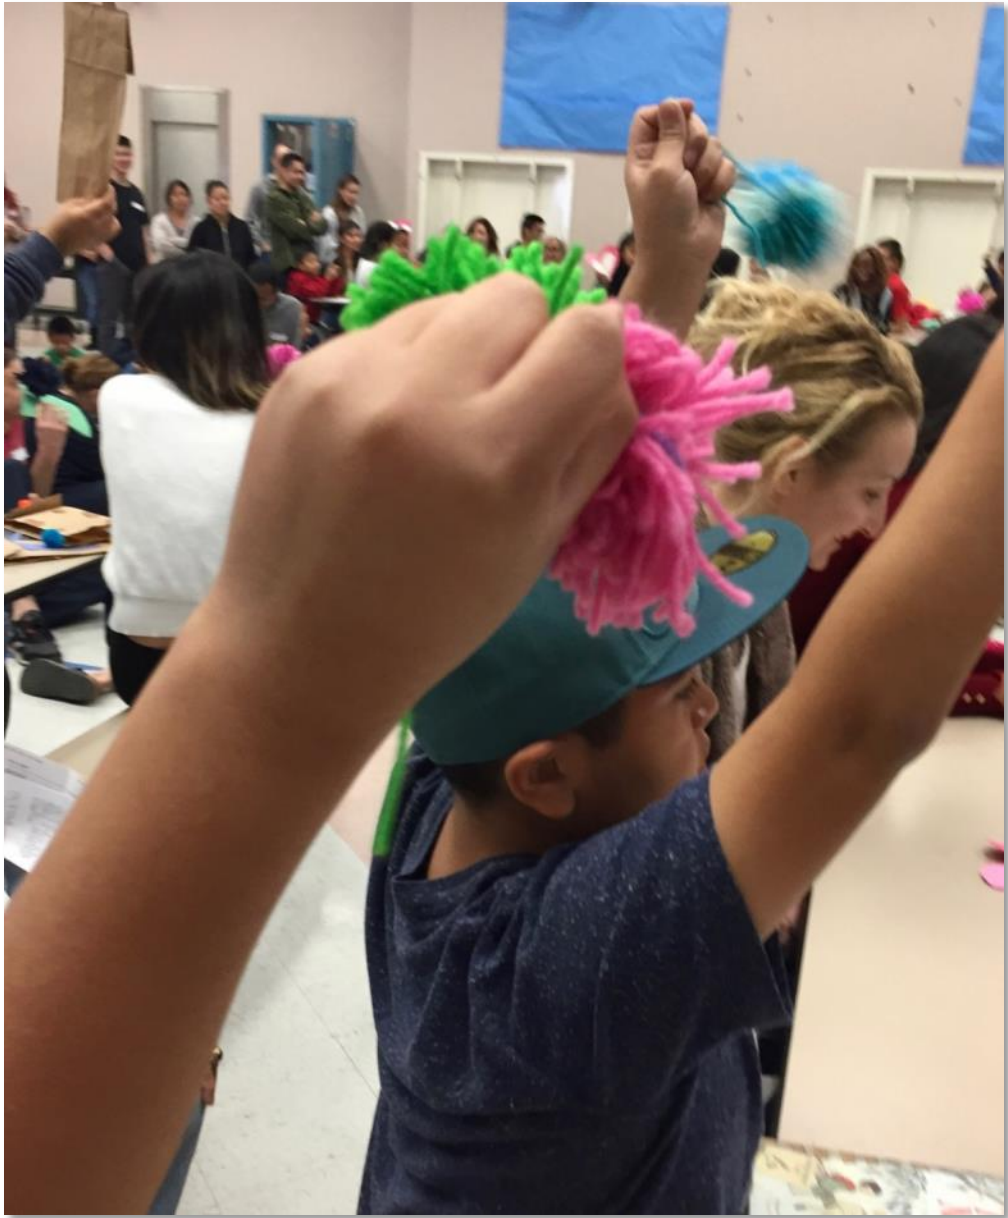

Big thanks to the affiliated teachers and to R2K for choosing my book as a read aloud! Here are some pics of the morning—I got to collaborate with one of my favorite volunteer friends. Hearing him read aloud from the story was a huge gift.
